

SYLLABUS

Academic year 2024-2025

1. Information regarding the programme

1.1. Higher education institution	Universitatea Babeş-Bolyai
1.2. Faculty	Faculty of Business
1.3. Department	Business
1.4. Field of study	Business Administration
1.5. Study cycle	Bachelor
1.6. Study programme / Qualification	Business Administration in Hospitality Services (AASOE)

2. Information regarding the course

2.1. Name of the course	Hotel facilities and properties						
2.2. Code	ILE0052						
2.3. Course coordinator	Lect. Cristina Balint, PhD						
2.4. Seminar coordinator	Lect. Cristina Balint, PhD						
2.5. Year of study	3	2.6. Semester	5	2.7. Type of evaluation	E	2.8. Type of course	elective

3. Total estimated time (hours/semester of didactic activities)

3.1. Hours per week	4	Of which: 3.2. lecture	2	3.3 seminar/laboratory	2
3.4. Total hours in the curriculum	56	Of which: 3.5. lecture	28	3.6. seminar/laboratory	28
Time allotment:					hours
Learning using manual, course support, bibliography, course notes					14
Additional documentation (in libraries, on electronic platforms, field documentation)					14
Preparation for seminars/labs, homework, papers, portfolios and essays					28
Tutorship					2
Evaluations					2
Other activities:					9
3.7. Total individual study hours					69
3.8. Total hours per semester					125
3.9. Number of ECTS credits					5

4. Prerequisites (if necessary)

4.1. curriculum	
4.2. competencies	

5. Conditions (if necessary)

5.1. for the course	classroom with computer and projector;
5.2. for the seminar /lab activities	classroom with computer and projector;

6. Specific competencies acquired

Professional competencies	<p>C1. Gathering, processing, and analysing economic data for business management C1.2. Identificarea metodelor concrete de culegere a datelor, prelucrare și analiză a acestora în funcție de diferite situații specifice și condiții de desfășurare a activității firmei</p> <p>C4. Implementing business development strategies in the hospitality industry C4.1. Descrierea, definirea și caracterizarea strategiilor ce pot fi implementate în activitatea organizațiilor din industria ospitalității C4.2. Analiza situației actuale, selectarea și propunerea unor alternative strategice de dezvoltare a activității firmei</p> <p>C6. Implementation of systems for quality, environmental, and food safety management in hospitality industry C6.5. Creation of specific internal standards and implementation of professional methods for continuous improvement of quality, environmental, and food safety management systems</p>
Transversal competencies	<p>CT1. Implementation of ethical principles, norms, and values within one's own rigorous, effective, and responsible working strategy</p>

7. Objectives of the course (outcome of the acquired competencies)

7.1. General objective of the course	Presentation of the types of accommodation properties correlated to the classification schemes and their geographical localization
7.2. Specific objective of the course	<ul style="list-style-type: none"> • Presentation of the types of accommodation properties and their evolution in the 21st century • Presentation of the classification schemes used in presence, with their advantages and disadvantages • The correlation between the design of the accommodation properties, the type of property, the main type of clients and the localization of the properties

8. Content

8.1. Course		Teaching Method	Remarks
1	The evolution of the accommodation properties	interactive discussion	1 lecture
2	The development of the hotel industry in the 19 th and 20 th centuries	interactive discussion	1 lecture
3	Types of accommodation properties from all over the world	interactive discussion	1 lecture
4	Types of accommodation properties from Romania	interactive discussion	1 lecture

5	The classification of the accommodation properties	interactive discussion	1 lecture
6	Types of accommodation rooms	interactive discussion	1 lecture
7	Forms and operating conditions of accommodation properties	interactive discussion	1 lecture
8	The management and franchise contract	interactive discussion	1 lecture
9	The importance of the location for the accommodation properties	interactive discussion	1 lecture
10	The design of the accommodation properties – exterior design	interactive discussion	1 lecture
11	The design of the rooms	interactive discussion	1 lecture
12	The thematic design	interactive discussion	1 lecture
13	Accommodation properties with special features	interactive discussion	1 lecture
14	Summary course - combining notions and concepts introduced during the semester	interactive discussion	1 lecture
